

MILITARY MISSIONARIES SERVING GOD IN ENGLAND

Friends,

20 January 2021

Isaiah 60 is written to Israel, and speaks to a day that has not yet come, but I find great comfort in verse 22: "A little one shall become a thousand, and a small one a strong nation: I the LORD will hasten it in his time." The same God Isaiah writes about is the same God Whom we serve today, and He's the same God who will rule the millennial kingdom and all of eternity. Understand that when it's time for something to happen, God will make it happen, and He can make it happen in a hurry! That's what we're praying for in the rest of our deputation: Lord, hasten it!

Since the last letter ...

We have two new churches that have voted to support us, one is pending for next week, and two more churches where we presented in the fall should begin sending support this month (and are not counted in our total support yet). We're officially at 71% support with several good prospects to take us on for support.

Up next

This letter comes out a bit early, since I will be away from home most of the next month (and when I'd normally issue the letter). One or both of us will be in meetings in Utah, Colorado, Indiana, Michigan, North Carolina, and Georgia before our next prayer letter comes out. We're praying for God's hand on those services and for us to have the ability to minister both inside and outside of church walls in the places God has sent us.

In England

At the moment, Faith Baptist Church of Lakenheath is able to meet in person even though most nonreligious activities are curtailed due to coronavirus. Several new families have joined, although in a short time we will be losing one core family that goes back to the church's founding in 2017. That's military ministry: you can have 100% turnover in church membership in three years and none was due to getting mad at the pastor!

Help us pray

Would you add these to your short-term prayer list?

- An upcoming dental procedure (or multiple) for Scott
- Safety flying and driving to meetings
- Fruit in witnessing
- Monthly growth in support like we were seeing before coronavirus

A note to supporting churches

We usually include the last two months' support totals in the right hand column. Due to travel, it is necessary that I send this prayer letter prior to our giving report being issued. Also, if your December figure shows \$0 in giving, it may be due to the pony express—I mean, U.S. Postal Service—and the delays that are affecting everyone. The AFBM office let me know that many support checks are coming in up to a month late, so be aware. Fear not; we will report it in the month that it is received and credited to our accounts. Thank you for your support and patience!
