

REACHING TROOPS

THE PRAYER LETTER OF THE MCCAINS, MINISTERING TO U.S. MILITARY

Friends,

25 May 2024

I have many things on which to update you, but I have a major urgent prayer request that I desire you to take to the throne of God.

I was scheduled to preach at Grace Baptist Temple in Blackstone, Virginia, on May 19. We drove up the night before and stayed in their missions house. On Sunday morning, I experienced terrible chest pain and made the decision to go to the emergency room. Once there, the tests indicated that I did have a heart attack. I traveled by ambulance on Sunday night to VCU in Richmond for the purpose of having a heart cath on Monday. It was determined that a bypass surgery would be more effective than placing stents, which I plan to have in Norfolk soon.

I may be out of action for a bit, which is against my nature. **Please pray that, if it be the Lord's will, that He will remove those blockages and restore me to full health.** If not, then pray that we will be able to schedule a surgery after some benchmarks are met. I have a consultation with the surgeon scheduled for 29 May.

Thank you for remembering us in prayer.
